

## Updating, editing, and deleting an existing bibliography

Right-click anywhere in the bibliography. From the context menu, select:

- **Update Index** to update the bibliography.
- **Edit Index** to open the Table of Contents, Index or Bibliography dialog so you can edit and save the bibliography.
- **Delete Index** to delete the bibliography without a confirmation request.

### Tip

If you find Writer's bibliography feature too limited, you may wish to try Zotero, which is free and open source, available for MacOS, Windows, and Linux. It is reported to work well with Writer (<https://www.zotero.org/>).
