

## **ARTICLE 21**

### **LAND DIVISION ORDINANCE**

An ordinance to regulate partitioning or division of parcels or tracts of land, enacted pursuant but not limited to Michigan Public Act 288 of 1967, as amended, and Act 246 of 1945, as amended, being the Township General Ordinance statute; to provide a procedure therefore; to repeal any ordinance or provision thereof in conflict herewith; and to prescribe penalties and enforcement remedies for the violation of this ordinance.

#### **21.1 TITLE**

This ordinance shall be known and cited as the Clark Township Land Division Ordinance.

#### **21.2 PURPOSE**

The purpose of this ordinance is to carry out the provisions of the State Land Division Act (1967 PA 288, as amended, formerly known as the Subdivision Control Act), to prevent the creation of parcels of property which do not comply with applicable ordinances and said Act, to minimize potential boundary disputes, to maintain orderly development of the community, and otherwise provide for the health, safety and welfare of the residents and property owners of the Township by establishing reasonable standards for prior review and approval of land divisions within the Township.

#### **21.3 DEFINITIONS**

For purposes of this ordinance certain terms and words used herein shall have the following meaning:

1. "Applicant" - a natural person, firm, association, partnership, corporation, or combination of any of them that holds an ownership interest in land whether recorded or not.
2. "Divide" or "Division" - the partitioning or splitting of a parcel or tract of land by the proprietor thereof or by his or her heirs, executors, administrators, legal representatives, successors or assigns, for the purpose of sale or lease of more than one year, or of building development that results in one or more parcels of less than 40 acres or the equivalent, and that satisfies the requirements of Sections 108 and 109 of the State Land Division Act. "Divide" and "Division" does not include a property transfer between two or more adjacent parcels, if the property taken from one parcel is added to an adjacent parcel; and any resulting parcel shall not be considered a building site unless the parcel conforms to the requirements of the State Land Division Act, or the requirements of other applicable local ordinances.
