**Section 901 - Signs and Outdoor- Advertising Structures**

1. The purpose of this section is to regulate outdoor signs so as to provide a framework within which the identification and informational signs can serve to enhance the overall physical appearance of Clark Township. In any district identification signs and outdoor advertising signs (including billboards) are permitted under the following conditions. Each of the below stated conditions shall be adhered to strictly, and compliance shall be enforced accordingly by the Zoning Enforcement Officer and the Zoning Board of Appeals:
  - A. All signs projecting over public property shall be at least eleven (11) feet above the finished grade or sidewalk.
  - B. No sign or outdoor advertising structure shall be erected at any location where by reason of the position, size, shape, or color, it may interfere with, obstruct the view of, or be confused with any authorized traffic sign, signal or device, so as to interfere with, mislead, or confuse traffic.
  - C. Any sign may be illuminated, however, such illumination shall be concentrated upon the surface of the sign and the sign shall be so located and arranged as to avoid glare or reflection onto any portion of any adjacent highway, or into the path of oncoming vehicles or into any adjacent premises. No sign shall have moving parts or flashing lights.
  - D. All sign owners shall obtain the property owner's consent before placing a sign on any property belonging to another person.
  - E. All signs shall be maintained in good structural condition and the copy and graphics shall be legible. Examples of items that constitute a sign not being in good condition
2. All signs shall be set back behind the edge of the road right-of-way.
